## Mayor's Message

Wow, where did time go? As I watch the leaves turn colors, I can't believe how fast the year has flown by. It's time for gardens and flower beds to be cleaned up and made ready for winter. Our City Parks Department is getting our flower beds ready by planting thousands of tulip bulbs and other varieties of flowers so our City will look beautiful come Spring.

It's also time to start preparing for the holidays. I love Thanksgiving and all the good things it represents. I don't just mean turkey and pies (although by looking at me I certainly get my share). More importantly, Thanksgiving is a time for me to look back and count my blessings. I look at the great people who live in Lehi and all that they represent. We have some real giants when it comes to selfless service, and a lot of people sacrifice their time and money without asking for anything in return. I look at our neighborhoods and see projects being done by youth groups and families who are making a real difference in our City. I visit with our City departments regularly and see their concern for making sure that our utilities work and our streets are maintained.

I'm grateful for the rain we've had this past couple months. It has certainly been welcome. I'm grateful that we made it through a very tight year for water and that our citizens were understanding in conserving the water we did have. I'm hoping that we get a lot of snow this winter. Our Street Department is geared up to move snow, and I hope that they stay busy. Some may complain about snow, but it sure is better than drinking bottled water from another state.

Mostly, I'm just grateful for where we live and the blessings we all enjoy. I think we owe a lot to the men and women of the armed forces who have sacrificed so much for the freedoms we have in our lives. I'm grateful for a family of over 50,000 people who live and work in Lehi; people that care about each other. I'm grateful for all our City employees as they work to help our City move forward in an organized manner. I'm grateful for those who volunteered this past year with our rodeo celebration and all those who helped with special events throughout the year. All being said, I'm grateful to be the Mayor in the best city in the world, with the best citizens to serve. Let us all be thankful for what we have and bless the lives that have not.

Mayor Bert Wilson

## Vaccinations are for Everyone!

You might be thinking about flu shots about now, but the best way to prevent the spread of many diseases—including pertussis, measles, and hepatitis—is to be vaccinated. Besides regular clinics in Provo and American Fork, the Utah County Health Department will be holding community immunization clinics throughout the county.
